- You can refer others to join our affiliate program and become part of your team.
- For every sale your team members generate, you earn an additional team commission on top of your personal commission.

- The team commission is an extra 5% of the total sales revenue generated by your team members.

****Gift Cards at Silver and Platinum Tiers:****

Upon reaching Tier 2, you'll receive \$1000 worth of gift cards for leading retailers, and upon reaching Tier 4, you'll receive \$2500 worth of gift cards as an extra reward.

****All-Expense-Paid Trip at Gold Tier:****

Once you achieve the Gold Tier, you'll be rewarded with an exclusive all-expense-paid 3-day trip anywhere in the United States. This incredible trip covers flights, hotel accommodation, food, and includes a \$1000 gift card to make your experience even more enjoyable.

****Example Scenario:****

Suppose you're at the Platinum Tier and you've built a team that generates a combined total sales revenue of \$75,000. Here's how your commissions would be calculated:

- Personal Sales (Platinum Tier): $\$75,000 \times 25\% = \$18,750$

- Team Sales (5% of \$75,000): \$3,750

Total commission for the month: Personal Sales + Team Sales = $\$18,750 + \$3,750 = \$22,500$

****Benefits of Team Building, Gift Cards, and Rewards:****

- ****Leveraged Earnings:**** Building a team allows you to earn commissions not only from your personal sales but also from the performance of your team members.

- ****Gift Card Incentive:**** Receive \$1000 worth of gift cards upon reaching Tier 2, and \$2500 worth of gift cards upon reaching Tier 4, adding extra value to your rewards.
